II. Panel Cutout

III. PCB HOLE PATTERN

≡.Technical data

1.Materials and finishes

Contact	bronze alloy,gold plated
Insulator	PA(black)
Shell	brass, nickel plated.

2.Common values

Termination	solder
Temperature range	-40°C~85°C

3.Electrical values

Rated voltage	60V
Rated impulse voltage	800V
Current rating	2A(40°C)
Contact resistance	≤3mΩ
IP-dgree	IP68
Mechanic operation	> 100 mating cycles
